A MESSAGE FROM PASTOR HOLLOMAN

2021

For many of us, the years 2020 and 2021 seem to be a giant, long blur of one unending, unrelenting event. However, in our church, these years have been some of the most remarkable as we have witnessed God glorify Himself over and over again.

Personally, with my health in tatters, God kept our core group together and sharpened our focus on reaching our community and the world through our mission's efforts. **Only God** could have done this!

With the virus dominating our thinking and everyday lives, God continued to keep a spirit of unity in our fellowship while the world was (is) tearing itself apart. **Only God** could have done this!

While so many became concerned with only stockpiling for themselves, you showed a spirit of generosity breaking giving records from the last 10 years. You gave over \$20,000 to missions and outside ministries while ending the year over our budgeted targets! **Only God** could have done this!

I WILL

Will you prayerfully consider how you can assist your church as we plunge into 2022?

We are asking God for more **Volunteers** to serve, more **Musicians** to lead in worship, and more **Guests** to introduce to the God of the Bible!

2022 FORWARD

We are going **Forward!** By God's Grace and His Power, We are Going **Forward** as a Church! We are going **Forward** in Getting in the Word and Getting the Word in us! We are going **Forward** in being spectacularly generous! We are going **Forward** in increasing our children's and youth ministries! We are going **Forward** in seeing people Follow Christ, be Baptized, and Live out their Faith as a Faithful Disciple!

Thank you for **serving together, worshipping together,**
and **investing together** in the work of the Lord here
and around the World.

- **You gave almost \$22,000 to outside ministries, church plants, and missions** - over 15% of our annual budget!
- **You** approved & met a **new budget** and **new giving goal** in 2021.
- **You** paid for **advertising and literature** that helped us average over **1 guest every two weeks** in Covid uncertainty. (We are praying for 2-3 a week!) By the way, 17 of those guests (who gave info) attended more than 1 service.
- **You** prayed and invited as 3 people made professions of faith.
- **You** participated in **2 Pray & Go** events encompassing several Hardin Valley neighborhoods.
- **You** helped purchase and install a **new sign** near the road that is highly visible.
- **You** provided & worked so hard to make a great **Easter Outreach** and a **Fall Block Party-style Outreach** in the pouring rain!
- **You** helped with a renewed campus maintenance “**Summer Spruce Up.**”
- **You repainted the lobby, refurbished and remodeled it,** and then did the same to the **Cafeteria walls** and **repainted the Kitchen Cabinets.**
- **You** had the **church steeple cleaned,** installed new **security cameras,** a new **playground security light,** and a **new security alarm system.**
- **You** purchased a **9 Square Game System** for our youth.
- **You** sent the **Teens and Juniors to the Wilds! Camp** where they made life-changing decisions.
- **You** helped our **Montana church plant get into a building of their own,** years ahead of predictions.
- You gave \$10,600 to our Christmas Offering!
- **You** sent money to our **Brazilian missionaries who unexpectedly had to place their infant twins in ICU** while battling a local respiratory illness.
- **You** helped celebrate the **Holloman family’s 7th Anniversary** on 8/11/2021.
- **You** participated as our Men’s groups have continued to grow (we have three groups now).

You invested in the work of the Lord and connected your heart to the heart of God. Thank you!
